jump into the muddy trenches of the world war i and discover the story of one of the bloodiest wars in history on the way meet the soldiers and leaders of the conflict and explore the exciting weapons tanks planes technology of battle illustrated in the popular minimalist style of today young reader s imaginations will come to life simple history gives you the facts in a simple uncomplicated and eye catching way simple history is part of an ongoing series what will be the next episode

studies the causes social and economic impact and military strategies of world war i and profiles the world leaders who played important roles in the war s outcome

offering exhaustive coverage detailed analyses and the latest historical interpretations of events this expansive five volume encyclopedia is the most comprehensive and detailed reference source on the first world war available today one hundred years after the beginning of world war i in 1914 this conflict still stands as perhaps the most important event of the 20th century world war i toppled all of the existing empires at the time transformed the middle east and vaulted the united states to becoming the world s leading economic power its effects were profound and lasting and included outcomes that led to world war ii this multivolume encyclopedia provides a wide ranging examination of world war i that covers all of the important battles key individuals both civilian and military weapons and technologies and diplomatic social political cultural military and economic developments suitable as a reference tool for high school and undergraduate students as well as faculty members and graduate level researchers world war i the definitive encyclopedia and document collection offers accessible in depth information and up to date analyses in a format that lends itself to quick and easy use the set comprises alphabetically arranged cross referenced entries accompanied by further reading selections as well as a comprehensive bibliography a fifth volume provides chronologically arranged documents and an a z index

the focus of this volume is not on the consequences but rather on the connection between the great war and the long 19th century the short and long term causes of world war i

this work poses a straightforward yet at the same time perplexing question about world war i why did it happen several of the oft cited causes are reviewed and discussed the argument of the alliance systems is inadequate lacking relevance or compelling force the arguments of mass demands those focusing on nationalism militarism and social darwinism it is argued are insufficient lacking indications of frequency intensity and process how they influenced the

various decisions the work focuses on decision making on the choices made by small coterie in Austria Hungary Germany Russia France Britain and elsewhere the decisions made later by leaders in Japan the Ottoman Empire Italy the Balkans and the United States are also explored the final chapters review the basic causes once again an alternative position is advanced one focused on elites and coterie their backgrounds and training and on their unique agendas

a comprehensive reference which details the events places and participants of World War I

discover the key battles tactics technologies and turning points of the First World War the epic conflict that was supposed to be the war to end all wars combining authoritative exciting text and bold images the World War I book explores the historical background of the war its causes all of the key events across the major theatres of conflict and its aftermath using the original graphic led approach of the series entries profile more than 90 of the key events during and surrounding the conflict from the growing tensions between Europe's major powers to the assassination of Archduke Franz Ferdinand the German invasion of Belgium the endless slaughter in the trenches the American entry into the war the Russian Revolution the armistice and the creation of the League of Nations in this book you can explore the following key milestones of the First World War exploring the technologies tactics and turning points main theatres of the conflict and the experience of war from civilian life to the horrors of gas attacks bold imagery and clear text with insightful and inspiring quotes from military leaders and historians offering a uniquely compelling accessible and immediate history of the war the World War I book shows how certain key battles individual leaders political and economic forces and technological advances influenced the course of the conflict and the following decades this book is part of the Big Ideas Simply Explained series with other titles including the Art book the Architecture book and the Astronomy book

World War I World War I or the Great War was believed to be the war to end all wars because of the incredible extent of destruction and the staggering number of wounded and dead even those

who lived through it could scarcely comprehend its horror beginning in 1914 alliances between powerful nations soon plunged the world into a global conflict fighting including miserable trench warfare broke out in practically every corner of europe and spread around the world to africa asia and the middle east inside you will read about the causes of world war i the war in europe the western front the war in the balkans and the ottoman empire the united states russia and the war in eastern europe the impact of world war i and much more even the peace treaty in 1919 which occurred during a deadly worldwide influenza pandemic brought no relief another world war intricately connected to the first would break out in only two short decades

describes first hand accounts of world war i from those who lived through it provided by publisher

powerful images and cross referenced entries tell the story of world war i with its bloody ground fighting sea battles air clashes and main players maps and chronologies reveal the intricacies of every campaign breaking down each nation s involvement the advance on the western front russians striving to defend their borders the disaster at gallipoli and struggles in the balkans turkey palestine and east africa all the weapons many then new are here plus important thematic issues like women at war

a lively engaging history of the great war written for a new generation of readers in recent years scholarship on world war i has turned from a fairly narrow focus on military tactics weaponry and diplomacy to incorporate considerations of empire globalism and social and cultural history this concise history of the first modern global war helps to further broaden the focus typically provided in world war i surveys by challenging popular myths and stereotypes to provide a new engaging account of the great war the conventional world war i narrative that has evolved over the past century is that of an inevitable but useless war where men were needlessly slaughtered due to poor decisions by hidebound officers this characterization developed out of a narrow focus on the western front promulgated mainly by british historians in this book professor proctor

provides a broader more multifaceted historical narrative including perspectives from other fronts and spheres of interest and a wider range of participants she also draws on recent scholarship to consider the gendered aspect of war and the ways in which social class religion and cultural factors shaped experiences and memories of the war structured chronologically to help convey a sense of how the conflict evolved each chapter considers a key interpretive question encouraging readers to examine the extent to which the war was total modern and global challenges outdated stereotypes created through a focus on the western front considers the war in light of recent scholarship on empire global history gender and culture explores ways in which the war and the terms of peace shaped the course of the 20th century world war i a short history is sure to become required reading in undergraduate survey courses on ww1 as well as courses in military history the 20th century world or the era of the world wars

the untold story of the first world war world war one true stories of the great war the first world war 1914 1918 or the great war as it was known at the time is a pivotal moment in world history for a number of reasons there had been wars involving many countries many times before but mostly these conflicts had been localised mostly in europe the great war involved most of the nations of the world and was fought on every continent there had been many longer wars but none had inflicted such terrible loss of life both military and civilian the casualties of world war i were numbered in the millions twelve million died with another twenty million wounded the population of the world in 1900 was about one and a half billion the first world war killed close to one hundredth of the population of the world in just four years never before had such terrible weapons of destruction been constructed and although civilians had always suffered in war the business of war itself was in the hands of professional soldiers now however war affected the daily lives of everyone and all were called upon to contribute to the war effort world war i turned the world on its head and prepared the way for the coming of our own world this book looks at the untold story of world war one and the events leading up to this major conflict of the modern era a must read for fans of history or anyone interesting in uncovering the true story of what

really went on in the build up to during and beyond the first world war

when the united states entered world war i in april 1917 the clamoring in the press for a strong army largely overshadowed the need for considerable naval contributions to the war effort although it was small at the time the u s navy transported thousands of doughboys to france all the while battling the predatory german u boats henry ford tried to put his mass production techniques to work to produce hundreds of submarine chasers to patrol american coastlines the fledgling naval air service was assigned the daunting task of dealing with enemy aircraft over france and in the adriatic sea this is the personal account of men who served on the sea and in the air as well as the captains of industry who made victory possible industrial innovations contributed greatly to the allied cause george eastman s kodak company developed ship and aircraft camouflage and the general electric company perfected the hydrophone a precursor to modern sonar while many are aware of the exploits of eddie rickenbacker the u s army s ace few know that the navy also had an ace after more than 80 years these forgotten naval heroes receive the recognition that they well deserve in an account that attempts to give the war a human face through personal diaries letters and photographs

the definitive visual history of the people politics and events of world war i world war i the definitive visual guide is a fascinating portrait of a world at war vividly portraying the conflicts of the great war on land sea and in the skies this history book will tell you everything you ever wanted to know about the first world war you will uncover the details of the great war s titanic battles such as gallipoli the somme and verdun that left an indelible mark on the collective memories of countries and that claimed a generation of young men discover how local fears and hatreds escalated into one vast conflict that was fought out to the bitter end find out about key battles political and economic forces individual leaders and technological advances that influenced the course of the first world war timelines show you the war unfolding across countries providing an overview of developments in all the theatres of war packed with images maps portraits key artefacts and unforgettable first person accounts world war i the definitive

visual guide is an uniquely accessible military history of one of the world s most devastating conflicts

a brief survey of world war one including information on the nations involved major campaigns and battles weapons and other equipment leaders etc

a collection of primary and secondary documents that offers students scholars and war buffs an extensive and easy to follow overview of world war i

a complete history of world war i by francis a march ph d in collaboration with richard j beamish special war correspondent and military analyst with photographs by james h hare and donald thompson plus official photographs of the u s canadian british french and italian governments

a visual guide to the causes battles and forces of world war i

provides a unique single vol ref source on the armies battles weapons and leaders of the first great war that shook europe and the world during the 20th cent it presents in encyclopedic detail a wide range of info facilitating rapid access to the essential facts and figures of ww1 chapters causes of ww1 a historical section which charts the progress of the war year by year and with clear informative maps of important battles and offensives a detailed chronology of the war years a record of the weapons and tactics of the war and info on every combatant nation glossary colloquialisms and obscurities and more than 250 contemporary photos and engravings

a fascinating and detailed chronological study of the war including the decisive encounters profiles of important political and military figures as well as the experiences of those who lived through it
