this volume analyzes the effects of the molotov ribbentrop pact of 1939 on the baltic states and eastern europe this nazi soviet non aggression treaty catapulted into worldwide consciousness this summer as a 370 mile human freedom chain denied its legitimacy stretching across baltic nation states the chain s human links proclaimed the password freedom secret protocols contained in this treaty led to fifty years of soviet occupation in the atmosphere of glasnost and perestroika estonians latvians and lithuanians now demand restoration of their human and national rights and decolonization while the news media focuses upon these events this volume details the historical causes of the treaty its contemporary consequences and its present day challenge with the molotov ribbentrop pact hitler s germany and stalin s russia put aside their ideological difference and practiced expedient politics eastern europe and the baltic states were partitioned into german and russian spheres of influence this fifty year old pact continues to effect the baltic states it focuses our attention sharply on the consequences of secret deals made without regard to

national and human rights on the frontline of soviet defense the baltic challenge to the soviet union has worldwide implications after decades of denying their existence the soviet union in august 1989 finally admitted that the secret protocols of 1939 were an historical fact however they continued to deny that the protocols had any bearing on the incorporation of the baltic states into the soviet union as of this writing it seems evident that notwithstanding the era of glasnost the soviet government still lacks the determination to state the truth that the incorporation of estonia latvia and lithuania was an act of aggression carried out against the will of sovereign peoples

examines each of the defendants in the nuremberg trials during which charges were brought against members of hitler s third reich for wartime atrocities and considers questions of whether the trials were necessary and just

in this memoir the son of nazi germany s foreign minister looks back on his life examining their relationship and his father s role in world war ii on 16 october 1946 joachim von ribbentrop hitler s wartime foreign minister was executed at nuremberg convicted on four counts including deliberately planning a war of aggression and war crimes in this first english language edition of his memoirs rudolf von ribbentrop candidly describes his relationship with his father when he was the german ambassador in london and during the war years von ribbentrop was an often isolated figure among the nazi elite in his final report from london von ribbentrop informed hitler that he was convinced great britain would fight for its position in the world he went on to play a key role forging the short lived pact with stalin s soviet union far from being uncritical the author sets out to paint an objective picture of his father s role his unique position sheds light on the unfolding dramatic events leading up to and then the execution of the second world war while the author briefly describes his personal experiences including his war service with the ss it is the insight this work provides into top level decision making at the heart of the third reich that will appeal most to both historians and laymen

the nuremberg trials were a series of military tribunals held after world war ii by the allied forces under international law and the laws of war the trials were most notable for the prosecution of prominent members of the political military judicial and economic leadership of nazi germany who planned carried out or otherwise participated in the holocaust and other war crimes the trials were held in nuremberg germany x000d this volume contains trial proceedings from 25 march 1946 to 6 april 1946

excerpt in april 1949 judgment was rendered in the last of the series of 12 nuernberg war crimes trials which had begun in october 1946 and were held pursuant to allied control council law no 10 far from being of concern solely to lawyers these trials are of especial interest to soldiers historians students of international affairs and others the defendants in these proceedings charged with war crimes and other offenses against international penal law were prominent figures in hitler s germany and included such outstanding diplomats and politicians as the state secretary of the foreign office von weizsaecker and cabinet ministers von krosigk and lammers military leaders such as field marshals von leeb list and von kuechler ss leaders such as ohlendorf pohl and hildebrandt industrialists such as flick alfried krupp and the directors of i g farben and leading professional men such as the famous physician gerhard rose and the jurist and acting minister of justice schlegelberger in view of the weight of the accusations and the far flung activities of the defendants and the extraordinary amount of official contemporaneous german documents introduced in evidence the records of these trials constitute a major source of historical material covering many events of the fateful years 1933 and even earlier to 1945 in germany and elsewhere in europe the nuernberg trials under law no 10 were carried out under the direct authority of the allied control council as manifested in that law which authorized the establishment of the tribunals the judicial machinery for the trials including the military tribunals and

the office chief of counsel for war crimes was prescribed by military government ordinance no 7 and was part of the occupation administration for the american zone the office of military government omgus law no 10 ordinance no 7 and other basic jurisdictional or administrative documents are printed in full hereinafter the proceedings in these trials were conducted throughout in the german and english languages and were recorded in full by stenographic notes and by electrical sound recording of all oral proceedings the 12 cases required over 1 200 days of court proceedings and the transcript of these proceedings exceeds 330 000 pages exclusive of hundreds of document books briefs etc publication of all of this material accordingly was quite unfeasible this series however contains the indictments judgments and other important portions of the record of the 12 cases and it is believed that these materials give a fair picture of the trials and as full and illuminating a picture as is possible within the space available copies of the entire record of the trials are available in the library of congress the national archives and elsewhere in some cases due to time limitations errors of one sort or another have crept into the translations which were available to the tribunal in other cases the same document appears in different trials or even at different parts of the same trial with variations in translation for the most part these inconsistencies have been allowed to remain and only such errors as might cause misunderstanding have been corrected

weaving together a number of disparate themes relating to holocaust perpetrators this book shows how nazi germany propelled a vast number of europeans to try to re engineer the population base of the continent through mass murder a comprehensive introductory essay along with a detailed chronology reference entries primary sources images and a bibliography provide crucial information that readers need in order to understand hitler s plan as carried out through legislation and armed violence the book also demonstrates that both within nazi germany and in other parts

of europe all sectors of society played a role in planning facilitating and executing the final solution in addition to entries on nearly 150 perpetrators the book includes 25 primary source documents ranging from government memoranda to first hand observations of nazi killing activities to field reports from senior officers on the scene of holocaust killing sites also included are excerpts from literary memoirs students and researchers will find these documents to be fascinating statements as well as excellent source material for further research
